# The Classics Always Come Back.

We're bringing back our first-ever scratch-off to help celebrate the **Maryland Lottery's 50th Anniversary**. It's called "Instant Lottery" and has a \$10,000 top prize. The original design has been updated, and we've added a second-chance contest with additional chances to win.

**Instant Lottery Scratch-Offs go on sale February 20, 2023.**

### Instant Lottery Second-Chance Contest details:

- Players enter non-winning **Instant Lottery Scratch-Offs** into My Lottery Rewards and will automatically receive one entry into the second-chance contest in addition to progress toward achievements.
- There will be five second-chance drawings. One winner for each drawing will win \$10,000 cash—a total of five winners.
- Entries are not cumulative. Entries will be wiped clean after each drawing.
- All entries must be submitted by 11:59 p.m. the day of each drawing deadline.
