

Multiplier Scratch-Offs are back!

There are six exciting new scratch-offs. Winnings may be multiplied from 5 times to 200 times. Top prizes range from **\$1,000 to \$2,000,000!**

The fun doesn't stop there. Players can enter non-winning tickets into a second-chance promotion for the chance to **win up to \$75,000.**

Five Second-Chance Drawings

Starting **1/22/24**, players can enter non-winning tickets into their My Lottery Rewards account to gain entries into the promotion.

A player's number of entries will be determined by price point (**\$1 5X The Cash = 1 entry, \$2 10X The Cash = 2 entries, etc.**).

Entries will be cumulative and will be carried over after each drawing; entries must be submitted by midnight the night before the drawing to be eligible for that drawing.
